

Enrichment Class Option

Enrichment class is totally optional. We're adding this class for morning people who want to expand their camp experience.

Please put an X by one of the options:

I choose to take Music Theory from the most fun and exciting music theory teacher ever, Ruth Boden. I will be awake and ready to go at 8:15!!

I choose to take Electronic Music Composition (an exploration of how you can use the computer to generate cool sounds, and compose with them) from the ever-energetic and talented composer, Aleks Sternfeld-Dunn. I will be awake and ready to go at 8:15!!

I choose not to have an enrichment class. Maybe next year.

My instrument is _____

My name is _____
